

Greeting from the University of Taipei!!

Our International House officially opened on July 30, 2019.

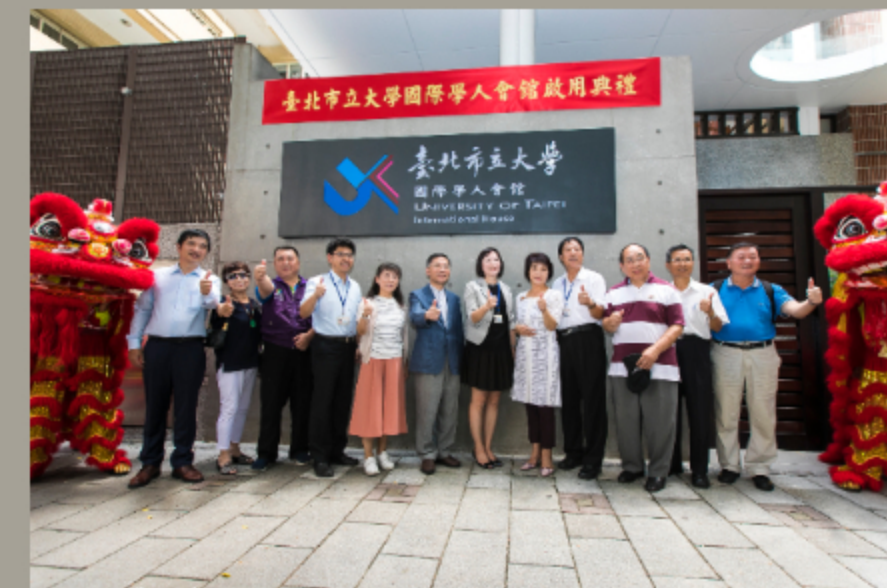

At the opening ceremony, we celebrated with traditional dragon and lion dance performances, which signify blessings of prosperity and good fortune.

Mr. Tsai, Deputy Mayor of Taipei City, and Prof. Tai, President of the University of Taipei, gave speeches to congratulate on the opening.

The Grand Opening was held at the gate of the International House.

The International House is located on the campus of Wuchang Junior High School, in the heart of an art and cultural area. There are innovative gourmet restaurants and fashionable galleries nearby.

The International House is equipped with a high-speed optical fiber network, allowing international guests and students to enjoy Internet learning and research. It also provides hotel-style management and around-the-clock counter service.

The International House is divided into two areas: the Scholars' Area and the Students' Area.
