*We are unable to attend many overseas education exhibitions due to the outbreak of COVID-19. Fortunately, we can still communicate with people in different countries through online meetings.*

## Stay in Touch via the Internet

The University of Taipei and Taiwan Education Center in Mongolia held an online meeting on April 24, 2020.

Sabina Shu-Chun Chiang, Dean of the Office of International Affairs, was the representative of UT in the meeting. Prof. Chiang introduced the quality education in UT, features of the curriculums, scholarships and grants, and application procedure. Meanwhile, Prof. Chiang also talked with the students, parents, and teachers in Mongolia.

Uka Oidov from Taiwan Education Center in Mongolia assisted in interpreting from English into Mongolian during the rehearsal of the meeting on April 23. The official online meeting was held on April 24, participated by about 30 Mongolian teachers and students. The faculty and staff of Admission Division and Office of International Affairs of UT were also in the meeting, assisting in answering students' questions regarding scholarship and application procedure.

Otgonbat Barkhuu, the president of Global Leadership University in Mongolia, and Ivy Lin, the project manager of Taiwan Education Center in Mongolia, also participated in the meeting.
