

Winter Trip & Christmas Party

Held by The Exotic Foreign Study Club
in 2020 Academic Year

In order to strengthen the bond among overseas Chinese and international students, the Office of International Affairs and the Exotic Foreign Study Club planned a two-day trip to Yilan County in northeastern Taiwan. In December 19-20, 2020, the students visited several tourist attractions, such as **Luodong Sports Park**, **Bee Museum of Bee Farmer**, **Kavalan Whiskey Distillery**, and **Loton Soymilk Factory**. In addition to sightseeing at those interesting places, the students took part in a **tofu pudding DIY activity** at Loton Soymilk Factory and enjoyed experiencing the local culture. At night, they stayed at **Little Shepherd Guest House**, where they had a BBQ and Christmas Party full of fun and surprises! This two-day visit in Yilan gave them a wonderful memory, and they look forward to more outdoor activities in the near future.
