

2+2 Bachelor's Degree Program Agreement

Between

University of Taipei, Taiwan

and

Troy University, U. S. A.

Department: Department of Music, University of Taipei (UT)

Department: John M Long School of Music, Troy University (TROY)

I. Objective

Based on Memorandum of Understanding between two educational institutions, University of Taipei (hereinafter "UT") and Troy University (hereinafter "TROY") agree to develop the 2+2 Bachelor's Program Agreement (hereinafter "the Agreement"), aiming to cultivate the international workforce, to provide students with an educational opportunity, and to boost their competitiveness in the international workplace.

II. Program Name

This program will be named as "UT- TROY 2+2 Bachelor's Degree Program (hereinafter "Program").

III. Eligibility, Application Procedure, and Selection Process

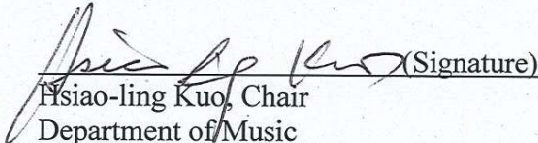

Each applicant's qualifications will be evaluated by the respective partner university's admissions process based on that institution's standards and policies.

IV. Credit Transfer and Acceptance

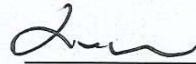

1. An explicit list of the courses run by the two universities is attached as a reference for credit transfer.
2. The two universities will list relevant courses with reference to transfer credit equivalencies so that participants of this Program meet graduation requirements.
3. UT determines the credit equivalency policy for the courses that the participants take at TROY to be transferred back to UT.

V. Length of Study and Credit Hours

1. A period of study at the two universities is required to satisfy the requirements for this Program and will be resolved through the consultation between the two universities.
